REGISTER FOR CONVENTION

Registration for the virtual 206th Annual Convention on Saturday, November 20, is now open. The meeting link will open at 8 a.m., and the gathering will convene at 9:30 a.m. Participants must enter the room by 9:15 a.m., and you are encouraged to enter early and leave the meeting running in the background while you enjoy a cup of coffee or finish your morning routine.

Note that each person who registers will receive a confirmation email from Zoom with an individual Zoom link. **Each registrant will have their own individual Zoom link; do not lose or share your Zoom link.** Sharing your Zoom link with someone else or using someone else's Zoom link could prevent you from entering the meeting and voting, as we will not admit multiple attendees associated with the same username or email address.

Voting credentials will arrive in your inboxes on Monday, November 15.
