

Holy Innocents, Henderson

Rector Time Certain

Holy Innocents is seeking their next Rector. The vestry is prayerfully hoping for a priest with meaningful pastoral abilities, gifts with administration and skilled preaching. There is a Latino congregation which worships at Holy Innocents and there is mutual desire for a more engaged community between the congregations and the new Rector. Combined attendance would make Holy Innocents a small program sized church pre Covid. Bi lingual candidates are highly desired. The previous Rector served faithfully for over 17 years. Beautiful church plant that is located approximately 50 minutes from Raleigh-Durham area.

Compensation: \$85k, rectory, benefits
