

Resolution 205.5

On Conduct of Annual or Special Conventions by Remote Technology

The 205th Annual Convention enacts:

The Canons of the Diocese of North Carolina are amended by adding a new Canon as follows:

“Canon 1.1

Conduct of Annual or Special Conventions by Remote Technology

The Convention may adopt Rules of Order providing for the conduct of business by teleconference, videoconference, or any other technology that allows all persons participating to hear each other at the same time and to participate in discussion and voting. Members participating in a meeting by means of remote technology are deemed present in person at the meeting.”

Submitted by the Commission on Constitution and Canons

Comment: This resolution would create a new canon giving specific authorization to the Diocese to hold a Convention using remote technology.
