St. Mark’s, Huntersville Rector Search

We pray our future leader is:

- An exceptional preacher whose sermons challenge us and leave us with a powerful message we can hold onto.
- A priest who wants to engage with and grow Christian formation opportunities for children, youth and adults. We are a spiritually mature congregation, and we are hungry for thought-provoking formation offerings that engage our minds and feed our souls.
- A brave, faithful pastor who is willing and able to engage with challenging social issues, such as racial reconciliation and civil discourse, and who truly believes that all are welcome.
- A priest who will help us use the gifts God has given us to do the work we’re called to do.
- Someone who can challenge our congregation to accept change and look forward, while continuing to treasure our traditions.
- A builder who believes in the power of technology to expand our opportunities for worship and reflection, and to grow our faith community.
- A rector who will ensure that everything we do upon our hill is different from what we might do at an HOA event.
- A priest who will keep us liturgically sound, challenge us to live more like Jesus, and guide our journey deeper into relationship with God.
