

Clergy Associate for St. Martin's Charlotte

Salary: well above diocesan minimum commensurate with demonstrated skill and experience.

Benefits: Pension, full family health and dental (cost sharing), professional expense and development funds.

Timeline: Hire date around June 1, 2022.

Vision: St. Martin's, an urban parish, drawing from diverse communities, has embarked on a season that is characterized by a new posture towards our neighbors and a commitment to cultivating disciples within our parish. Our relations with our neighbors in the city and beyond have moved from a doing-for model to a being-with model, that is: friendship without fixing. Being-with is our starting and ending point of all relationship within and beyond St. Martin's.

For the cultivation of lay leadership and involvement we have begun a process of discovery of gifts and insights from our entire congregation. We have generated ideas and commitments from those insights and are now implementing those ideas at every level of leadership in our parish. It is a time of creativity and ownership of our discipleship to Jesus Christ at St. Martin's. We are looking for a priest who is energetic, creative, administratively accomplished, and, above all, deeply rooted in the Triune God.

Requirements: An abiding love of Jesus Christ is of primary importance and the living out of that love within the Anglican/Episcopal tradition. Ordination in the Episcopal Church or other full-communication partner. A collaborative spirit is a must; if you are even *remotely* of the "father/mother knows best" ethos, this is not the position for you.

Candidates of underrepresented communities in Holy Orders are strongly encouraged to apply.

Please send OTM profile, resume, and cover letter to priestsearch@stmartins-charlotte.org and to the rector of St. Martin's at jbowron@stmartins-charlotte.org
